15 Free Lower Thirds

For Adobe Premiere

Getting Started

Download and Install Fonts

Once you've unzipped the download file, you will find the fonts in the fonts folder. Install the fonts if you want the lower thirds to behave properly.

Terms of Use & Support

All of the freebies are 100% free to use. However, you may not distribute or sell the templates in any way without prior authorization from RocketStock.

With highly technical products such as After Effects templates, we receive a large volume of support requests that require detailed responses. This means that unlike our paid products, **we currently do not offer technical support with RocketStock freebies.**
